Months	1	2	3	4	5	6	7	8	9	10	11	12
Price/Month	€170	€156	€144	€132	€122	€112	€106	€101	€96	€91	€87	€82

We have adopted a financial reward policy depending on how long the event app will be used by the organizer. The table below shows the prices per month (VAT excluded). As the months go by, we provide a total discount on the original price up to 51.7%.

Example:

Using the app for one month costs € 170. But using the app for 6 months costs € 672 instead of € 1020 = € 170 X 6. Therefore the cost is € 112 per month instead of € 170, which is about a 34% discount on the original price.

GatherNext also rewards those who use the event management software for more than one event per year providing additional 3% discount for each subsequent event. The highest discount that can be given is 23.98% after the 10th event. Here's a detailed table with discounts depending on the number of events.

Number of events per year										
	1	2	3	4	5	6	7	8	9	10+
Discount	0.00%	3.00%	5.91%	8.73%	11.47%	14.13%	16.70%	19.20%	21.63%	23.98%

Example:

If you want to use our software for four months for a second event, you will pay € 512.16 instead of € 528. Correspondingly, for your seventh event you will pay only € 439.82
